

**TENDER SUPPLEMENTARY DOCUMENTS
FOR
2D SEISMIC DATA ACQUISITION &
IN-FIELD PROCESSING SERVICES
FOR
THE BLOCK ERGEL XII**

SMART OIL MONGOLIA LLC.

Tender No: MG12-201801

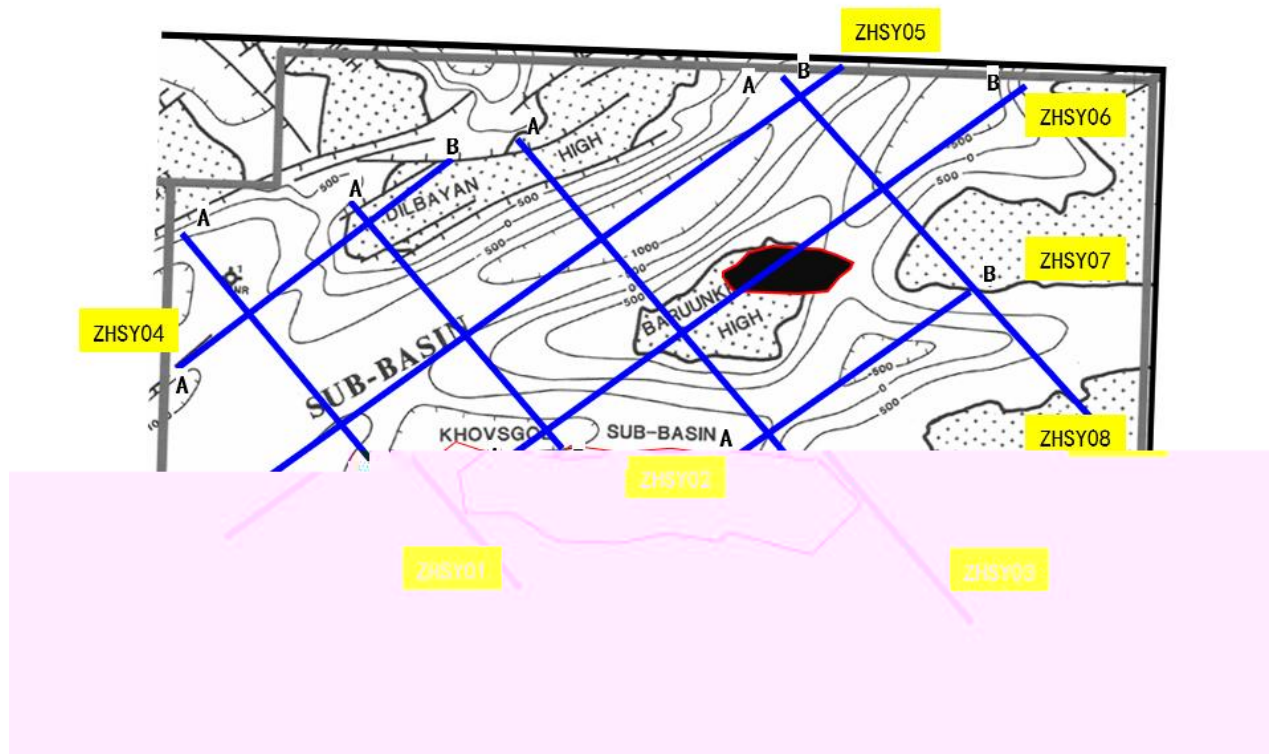

Date: Oct 15th , 2018

1. Closing Time and Date of Tenders: **10:00 am. Nov 7th , 2018.**
2. The Tender should be written in Mongolian and English.
3. Article 14 of SECTION A shall be adjusted as follows

Within 30 days since both sides sign the contract, Bid party shall provide a bank guarantee or performance bond of USD 350,000.00 to COMPANY.

 - 14.1 Within the validity period of the contract, the bank guarantee/performance bond shall be valid.
 - 14.2 If the contract performance is wholly or partially extended, the bank guarantee/performance bond provided by Bid party will be correspondingly extended.
 - 14.3 Fee for opening a bank guarantee/performance bond or period extension will be borne by Bid party.
 - 14.4 Once the contract is completed, the bank guarantee/performance bond will be cancelled.
 - 14.5 If Bid party fails to follow contract requirements to fulfil its obligations, the fund in performance bond will be paid to COMPANY for compensating any loss thereof.
4. The 2D seismic line is adjusted as shown in the figure below.

Coordinate table of 2D seismic acquisition lines

No.	Line Number	Endpoint coordinates		Line length (Km)
		A	B
